7th & Grand Wine Bar will be housed in the historic Lowell School, built-in 1925. This prominent structure on the corner of 7th & Grand has just been placed on the National Historic Registry and will become the new marketplace for the Main Street downtown corridor. The facility will also house Gemini Beer Company, as well as Blue Herron Coffee. The expansive front lawn will be accompanied by a full-time 1967 vintage 34-foot Airstream Land Yacht food trailer, providing a one-of-a-kind Greek/Italian tapas menu for both wine and beer pairing.

7th & Grand Wine Bar offers wine by the glass from a curated collection, or by the bottle, from a diverse wine library featuring over 100 selections, including the best of nearby Palisade's award winning wines (just 15 minutes away) and other offerings from Western Colorado's growing wine movement.

Beautifully displayed at its onsite cellar, the selection is thoughtfully hand-picked to complement each offering on the menu.

7th & Grand Wine Bar highlights an array of Mediterranean dishes that allow guests the flexibility to let their meal tell a story of their own choosing.

Guests will find familiar, signature lite Italian and Greek fare including; Carbonara Arancini, Chopped Italian Salad, Kalamata Greek Salad, Pan-fried Scamorza with Arugula Salad, Spanakopita, Saganaki, Lamb and Steak Souvlaki, Bruschetta of Spring Vegetables, Yiayia's Meatballs, Ricotta and Roasted Tomato Bruschetta with Pancetta, Autumn Fritto Misto, Burrata Caprese Salad, Shrimp Scampi, Gourmet pizza by the slice, Gyros, Dolmathes, and rotating seasonal fare.

The dessert menu will include; Tiramisu, Panna Cotta, Tartufo, Zabaione, Pastiera Napoletana, Cassata, Seada, Torta Mimosa, Baklava, Cotta, Galaktobourekko, Kataifi, Bougatsa, and Loukoumades.

Guests can rediscover an array of food and drink that have a story to tell. The cocktail program – classic libations with a twist, utilizing the menu's comprehensive wine library, local ciders, freshly squeezed juices, and house made infusions, ensures guests continue to visit time and again, and enjoy a new experience each time. Gemini Beer will also be made available, with 7th & Grand Wine Bar partnering as their exclusive food service provider.

Furthermore, the Airstream's Greek/Italian Tapas Kitchen will be open to the general public at its strategic location out on the front lawn of Lowell High School, seen by all passersby moving into Grand Junction's Historic and popular Main Street District.
